

Exempla Lutheran Selects Sound to Provide Inpatient Care

11/5/07 (TACOMA, Wash.-DENVER, Business Wire) Sound Inpatient Physicians and its Colorado affiliate Inpatient Services P.C. announced a new, two year agreement to provide hospitalist services to Exempla Lutheran Medical Center, Denver, Colorado.

"Inpatient care has become increasingly specialized due to the complexities of medicine today and the stresses placed on our healthcare system," noted Dave Munch, Chief Operating Officer of Exempla Lutheran, "Sound's model for care addresses those challenges."

"Lutheran hospital's long standing commitment to the highest quality care mirrors Sound's focus on providing quality, attentive and efficient care to the bedside through our comprehensive hospitalist program," observed Dr. M-A Williams, Chief Medical Officer for Sound's Rocky Mountain region.

Sound Inpatient Physicians has developed and operates a unique hospitalist model redefining hospital medicine by providing innovative solutions to the clinical, administrative and fiscal challenges facing our nation's healthcare delivery system. Sound's model is based upon manageable encounters enabling physicians to deliver the best possible care while providing Sound's physicians a satisfying, sustainable career.

"Sound Inpatient Physicians was founded on the core belief that patients are our greatest concern and physicians are our greatest asset. As we continue to grow, we maintain our commitment to this principle," said Dr. Robert Bessler, CEO and President of Sound Inpatient Physicians.
